Personal

Montreal 23rd Sept 1908

Howland Wood Esq
General Secretary A.N.A.

Dear Sir

Regarding the next place of convention I think it is my duty to inform you as well as the president that there was only one member of the Montreal numismatic society in favor of inviting the A.N.A. to Montreal, another private meeting of the A.N.A. members, (Called by same party) had the same fate.

Why, because we find it is not the proper time for us to convene you here, later on we shall certainly invite you but at the present time we could not make it a success and we dont want to do things that would reflect bad on us, this is why I inform you personally of these details, believe me

Yours truly
